REMARKS

Reconsideration is respectfully requested of the Office objections under 37 CFR 1.75(c) and rejections under 35 USC 103(a). In the present amendment, claims 4 to 7 have been amended; claims 1 to 7 remain under consideration.

Claims 4 to 7 were objected to based on improper form due to multiple claim dependency. In response, these claims are now dependent on claim 1. Accordingly, removal of the claim objection is proper.
